§4041.25

retirement age in any one form permitted under the plan;

- (2) Any alternative benefit forms, including those payable to a beneficiary upon the person's death either before or after benefits commence;
- (3) If the person is or may become entitled to a benefit that would be payable before normal retirement age, the amount and form of benefit that would be payable at the earliest benefit commencement date (or, if more than one such form is payable at the earliest benefit commencement date, any one of those forms) and whether the benefit commencing on such date would be subject to future reduction; and
- (4) If the plan benefits may be paid in a lump sum, the information in paragraph (d)(4) of this section.
- (f) Spin-off/termination transactions. In the case of a spin-off/termination transaction (as defined in §4041.23(c)), the plan administrator must, no later than the time the plan administrator files the standard termination notice for any terminating plan, provide all participants, beneficiaries of deceased participants, and alternate payees in the original plan who are (as of the proposed termination date) covered by an ongoing plan with a notice of plan benefits containing the information in paragraphs (b) through (e) of this section.

§ 4041.25 Standard termination notice.

- (a) Notice requirement. The plan administrator must file with the PBGC a standard termination notice, consisting of the PBGC Form 500, completed in accordance with the instructions thereto, on or before the 180th day after the proposed termination date.
- (b) Change of proposed termination date. The plan administrator may, in the standard termination notice, select a proposed termination date that is later than the date specified in the notice of intent to terminate, provided it is not later than 90 days after the earliest date on which a notice of intent to terminate was issued to any affected party.
- (c) Request for IRS determination letter. To qualify for the distribution deadline in §4041.28(a)(1)(ii), the plan administrator must submit to the IRS a valid

request for a determination of the plan's qualification status upon termination ("determination letter") by the time the standard termination notice is filed.

§ 4041.26 PBGC review of standard termination notice.

- (a) Review period—(1) In general. The PBGC will notify the plan administrator in writing of the date on which it received a complete standard termination notice at the address provided in the PBGC's standard termination forms and instructions package. If the PBGC does not issue a notice of noncompliance under § 4041.31 during its 60-day review period following such date, the plan administrator must proceed to close out the plan in accordance with § 4041.28.
- (2) Extension of review period. The PBGC and the plan administrator may, before the expiration of the PBGC review period in paragraph (a)(1) of this section, agree in writing to extend that period.
- (b) If standard termination notice is incomplete—(1) For purposes of timely filing. If the standard termination notice is incomplete, the PBGC may, based on the nature and extent of the omission, provide the plan administrator an opportunity to complete the notice. In such a case, the standard termination notice will be deemed to have been complete as of the date when originally filed for purposes of §4041.25(a), provided the plan administrator provides the missing information by the later of—
- (i) The 180th day after the proposed termination date; or
- (ii) The 30th day after the date of the PBGC notice that the filing was incomplete.
- (2) For purposes of PBGC review period. If the standard termination notice is completed under paragraph (b)(1) of this section, the PBGC will determine whether the notice will be deemed to have been complete as of the date when originally filed for purposes of determining when the PBGC's review period begins under §4041.26(a)(1).
- (c) Additional information—(1) Deadline for providing additional information. The PBGC may in any case require the submission of additional information
